CENTER POLICY AS REGARDS RELEASE OF PSYCHOLOGICAL TEST DATA IN PRE

It is clear from statute (C.R.S. 114-10-127) that parents and partners participating in a Parental Responsibility Evaluation (PRE) have a right to request their underlying file data. Those who participate in a court ordered PRE with Dr. Fyfe are hereby informed that parties signing the agreement to participate in the PRE allows for the potential release of test data for the purposes of litigation.

The parties are encouraged to seek the assistance of a qualified psychologist to better understand test data. Dr. Fyfe respects the civil rights of clients to review the materials on which he based his PRE.
